Description

A fantastic pair of Swedish Art Deco leather armchairs, dating from the 1930's. They are of amazing quality with generous proportions, they are well sprung and extremely comfortable. The leather has a gorgeous colour tone, they stand on solid beech recessed platform bases and have wonderful stained beech arms. Each chair has two small pull out slide shelves built in to the arms, perfect for resting drinks on. They are in excellent condition for their age, we have had the leather enhanced and revived by our leather restorer, the wood has been re-polished. There is one tiny historical repair on one arm, seen in the images. Width – 34 inches , 86 cm Depth – 32 inches , 81 cm Height – 31 inches , 79 cm
