Description

A rare French Art Deco original 1930's advertising mannequin, possibly for a hat shop. It is large piece and very Art Deco! The lady has a short black crimp and her outfit or design is in green. She measures 2ft 6 inches (68cm) in height. There are some signs of wear which is understandable considering the age. I have photographed these faults, however as a whole the signs of wear do not detract from the piece being very decorative and rare. (There will be a delivery charge as she has to be packed very carefully)
