

SA1117071

Pair of early 18thc needleworks

Price

Sold

Item Reference: SA1117071**Date of manufacture: 18th Century**

Dimensions

Height = 28.5 cm (11.2")

Width = 36.5 cm (14.4")

Description

Matching pair of needleworks in fine wools and silk threads depicting urns with flower arrangements, likely to be panels for a casket. The condition is good with minor losses and fading which has created a soft tonal palette. In modern frames with linen border Europe, probably France 1710-1725

Internal Ref: mm44
