Description

Highest quality William IV three tier solid mahogany buffet with original patented Cope and Collinson brass castors. Nice shape turnings with small carved decoration. Solid mahogany shelves with a rounded edge, the second shelf with a huge knot in it as can be seen by the pictures. This is really heavy for its size which just shows the quality of the timber used. Possibly by Gillows of Lancaster. Great colour and patination with a waxed finish. Very useful size. SIZE; 33" wide by 18" deep by 40" high overall including the finials. CIRCA; 1830 - 1840
