Description

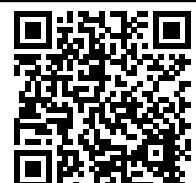

Circa 1880-1910 A pair of good quality and unusual brass candlesticks with an open twist design. Each one weighs 2kgs. They measure 40.5 cm in height and the base is 18cm in diameter. The last photograph shows the original lead weight inside the base. They are exceptionally well made and have been polished but not lacquered and both are in good condition. Postage and packing for the UK mainland only is included in the price and for outside areas or delivery abroad please contact us for a delivery quote.
