Description

If you would like this seat upholstered please click yes in the upholstery drop down menu. This would require 6 metres of material. You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. This is a very unusual, high quality Napoleon III love seat. The size is very attractive as it is larger than a chair but not quite a sofa. The open arm design as well makes this hugely decorative, especially with the neatly turned legs. Very comfy as well.
