Description

This is an exceptional set of 18th century Italian chest of drawers. Made from walnut with a huge amount of strung details that covers the front, top and sides. The quality is very high and all looks to be original as far as I can see. The scale of the piece is fabulous and is guaranteed to make a statement in any room it is put into. Heavy brass drawer handles which suit the scale of the piece perfectly. The overall condition is very good and shows its age handsomely. The drawers all shut flush as well.
