Description

A beautifully made and very stylish Swedish Art Deco desk in satin birch, dating from the 1930's. This is of superb quality with an elegant design, it is a very useful size. It is wide and has a generous knee hole space, it is not too deep from front to back, so is not too imposing. The satin birch has a gorgeous colour and beautiful grain patterns, the drawers have lovely cream Bakelite handles. The back is nicely finished, so this can be used as a free standing item. We have had this stripped and re-polished to a very high standard, the condition is superb for its age.
