Description

A small antique cupboard, suitable for wall hanging or tabletop use, dating from the 19th century. It has a single door with beautiful book-matched walnut veneer, a brass knob and brass escutcheon with its original working key. The door opens to a simple shelved interior with one removable oak shelf. It is in good original condition with a lovely rich patina. There are some signs of age and use, some small chips and knocks but no major damages and overall it displays very well. It has been cleaned and given a gentle polish and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £20
