Description

Unusual late 19th century Boars foot inkwell or pen holder,c1890. A real curiosity the foot has a void at the top with a brass ring around the rim which enables it to hold an inkwell or to store pens. The base of the foot has crude stitching and it has a real primitive/folk art feel. Overall condition is good, in line with age and use. A great conversation piece for any collector of curiosities.
