Description

A beautiful and striking antique French onyx and gilt metal occasional side / coffee table, dating from the 1930's. This is of superb quality, the onyx has gorgeous colours and patterns. It is held together by gilt metal fixtures, the top sits loose on a steel cross frame support. It is a great size to be used as a coffee table or as an occasional side table. This is in mostly very good condition for its age. There is a little damage and cracking to a small area of the onyx, just at the very top of the column base and not visible when the top is sitting on the base. This is shown in the images, it does not really affect the strength of the table. Width - 22 inches , 56 cm Depth - 22 inches , 56 cm Height - 24 inches , 60 cm
