Description

A superb pair of antique figured walnut side tables. They were made in England, they date from around the 1900-1910 period. They are beautifully designed and are of exceptional quality. The tops are slightly recessed with beautifully moulded edges, they stand on cabriole legs with shell carving at the knees. The walnut colour tones and grain patterns are gorgeous throughout. We have recently had these re-polished, the condition is superb for their age. Width – 22 inches , 56 cm Depth – 16 inches , 41 cm Height – 18 inches , 46 cm
