Description

Gents Tissot Seastar Seven wrist watch, 1965 The watch has a calibre 781 17-jewel hand-winding movement which is working nicely. The movement is fully signed and it has the serial number 7,263,495 which dates it back to 1965. The watch measures 33mm diameter excluding the signed Tissot winding crown and the lugs. The case is stainless steel and it is in lovely condition. The back of the watch states that it is waterproof but, as with any vintage watch, it should be kept away from water and moisture. The lens has a very light 4mm scratch but not overly noticeable to the naked eye. The signed dial is in its original finish with original hands, centre seconds hand and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
