Description

An Edwardian Heals of London Walnut Stick Stand. A good quality Heals of London umbrella or stick stand. Having an attractive lattice sectional top split into two rungs of six providing twelve sections for your walking sticks and umbrellas. To each corner the ring turned supports are capped by smart turned finials. The whole raised on block and turned feet with connecting tray. Lovely condition and colour throughout. Would have had a drip tray fitted originally but we can fit a piece of sisal if so wished.
