Antique silver Omega pocket watch

Price

Sold**Item Reference: SA1118785****Date of manufacture: 1900**

Description

Antique silver Omega pocket watch. The watch has a stem-winding movement, signed with the Omega name, which is working nicely. The movement is protected by an inner hinged cover which has details of the medals won in Paris in 1900. The watch measures 51mm diameter excluding the winding stem and the loop. The case is 800 silver with rose gold wash detail. The case is in good condition with engine turned detail to the hinged case back, and a central vacant cartouche. The glass lens is in good condition. The dial is signed with the name Erik Persson, Linde, Imp, this was probably the original retailer. The dial is in good condition with original hands. The watch comes in a new presentation box.
