Description

Antique silver Buren pocket watch and chain. The watch has a Swiss 15-jewel stem-winding movement which is working nicely. The movement is signed with the name Buren, Grand Prix, and it is all protected by an inner hinged cover. The watch measures 49mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside both of the case backs for Birmingham 1926 with a maker's mark for the Birmingham watch case manufacturer Eclipse Watch Company. The case is in good condition, just a slight hint of unevenness to the back, nothing serious at all. The glass lens is in good condition. The dial is signed with the Buren name. It is in lovely condition with blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with a single chain, 34cm long including the T-bar and clasp. Each of the links has the silver lion mark. Also included is an antique silver swivel fob. The watch and chain come in a new presentation box.
