Description

A particularly attractive example of a bottle holder, whether you wish to place a bottle of red in it or a refreshing sparkling mineral water. The beautifully shaped rim is beaded which is followed through to a garland formed pierced frieze with oval shaped "jewels". The underside is marked EPNS for Electro-Plated Nickel Silver with a figural makers mark which I am unfamiliar with; three stars in the centre of a club shape. Excellent condition, measuring 6 3/4" tall with a base diameter measuring 5 1/2". Item ID: 33084 ———— FREE Worldwide Registered Airmail Directly From London, England
