## Description

This Rustic French Square Occasional Table With Drawer is so full of charm and character. Standing on traditional shaped legs with decorative moulding that flows into the side rails. The free running drawer adds additional storage space. The square, planked top, like the rest of the table, displays its age and wear with pride, and look all the better for it. The table is finished all round so can be placed centrally in a room if required. There are signs of historical wood worm, to be expected in pieces such as this, but it has been treated as a matter of caution even though they have long gone. A truly charming little table that would work so well in both a traditional or more contemporary décor. Circa 19thC Dimensions Width 21in/53cm Depth 21in/53cm Height 27in/69cm
