Description

Size: 13ft 11in x 5ft 6in (425 x 168cm). Antique kilim woven in two parts by the Baluch tribes of Afghanistan. Circa 1900/20. This excellent kilim was woven in two parts on a narrow simple loom, and then stitched together in the middle along the entire length; this explains the slight variation in colour and design from one side to the other. The kilim has a repeat diamond design, separated by bands of brocade decoration in the form of stars; this is also used with chevrons to create the border design. The kilim is in excellent condition with very slight wear, the kilim is suitable for normal domestic use. Stock Number: D-1345.
