Date of manufacture: 1900

Description

A superb hand made Anglo Indian antique solid sterling silver bowl. It is unmarked but tests as high grade silver. I would date it to c1900. It has been superbly designed and lightly gilded inside. It is in super condition being free from dings holes splits and repairs. It measures approx. 4.5 inches (11cm) wide by 2.25 inches tall and weighs 140 grams. A very good quality piece.
