Description

A charming (probably French) AUTOMATON of two canaries in a cage, with a mechanical clockwork movement which when wound, activates the mechanism moving both birds independently of each other whilst individually "singing" and twittering in a most realistic manner. Perfect working order. 11ins high (NB. These "singing birds" are not on view in the shop. Please e-mail kerry@quietstreetantiques.co.uk or telephone 07860 818212 for viewing details)
