Description

A George III oak chest of drawers c1800 of small proportions, with four graduated drawers, standing on bracket feet. This chest of drawers is simple in design with a subtle moulded detail to the drawers fronts and the top, and has a lovely warm colour. Condition: The chest is in good condition with some minor surface wear and marks in accordance with age and use, the most obvious of which is an ink stain to the top. The handles are not original but are in keeping. There are some old woodworm holes in the backboards which does not appear to be active, but we have treated it against woodworm as a precaution. Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer. If you need an item by a certain date please speak to us prior to ordering and we'll try to help.
