Description

This is beautifully crafted antique Victorian teak military trunk or coffer, circa 1860 in date. With a rectangular hinged lid, side carrying handles and brass fittings there is no mistaking its unique design and superb quality, which is certain to attract attention and make it a talking point as it is the ideal size for use as a coffee table. This trunk was made so that it could be easily transported on its journeys throughout the Empire, probably to house an Army Officer's clothes and personal possessions. It has inset brass protection on the corners mounts and sides and is fitted with the original brass carrying handles. With working lock and key. This piece is truly unique and is guaranteed to bring beauty and charm to your home for many years to come. Condition: This gorgeous antique trunk is in excellent untouched condition. Please see photos for confirmation of its condition. Dimensions in cm: Height 52 cm x Width 97 cm x Depth 51 cm. Dimensions in inches: Height 1 foot, 8 inches x Width 3 foot, 2 inches x Depth 1 foot, 8 inches. Teak is widely considered to be one of the most durable woods. Teak is close-grained and high in minerals and natural oils so it's...
