Description

A very nice quality cased set of six sterling silver spoons. They are all hallmarked SILVER (possibly made in Hong Kong or China). I would date them by their case to c1960. They have been hand made and set with green jade. They are in super condition being free from dings splits distortions and repairs, the jade is perfect. They measure approx. 4.25 inches (10.4cm) long and have a combined weight of weigh 64 grams excluding the case. A very stylish set.
