Description

Elegant and functional, this walnut cylinder bureau bookcase exudes timeless craftsmanship. Circa 1880, it is in good condition and thoughtfully designed to break into three sections for easy transport. The top features a charming cornice above two glazed doors, which open to reveal three height adjustable shelves—perfect for showcasing your prized books or collectibles. Below, a beautifully crafted cylinder bureau conceals a fitted interior complete with pigeonholes and three new leather insets, each with tooled edging for a refined look. The pull-out writing surface offers added versatility, with the central leather panel being height-adjustable to suit your preferred writing position. At the base, two panelled cupboard doors open to reveal a single shelf for additional storage. The entire piece rests on a plinth base, providing a solid foundation while adding to its classic appeal. This stunning bureau bookcase combines storage, functionality, and vintage charm, making it an ideal addition to any study or living space.
