Description

A good example of an antique Sterling Silver milk or cream jug. It is an elegant design with ornate repousse decoration, a large curved pouring spout and a scrolling handle. It stands on three paw feet with lions head mounts. The jug is stylish and good quality and it weighs approximately 156g. It is clearly hallmarked on the base for Sheffield, 1914, Joseph Rodgers & Sons. It is in very good condition for its age. There are some faint surface marks and minor dinks signs of age and use but nothing detrimental and it displays well. It has been gently cleaned and polished and is ready for use. Approximate Measurements : Height : 4" (10cm) Length spout to handle : 4 3/4" (12cm) Width : 3" (8cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
