Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is the classic manual winding Omega calibre 267 gents watch in solid 18ct gold. The movement is the calibre 267 Omegas most robust and reliable movements, this is the movement that was used in all of the military Omegas from 1939 to 1965. Sparkling clean and running to within original Omega time keeping specification. The movement serial dates this watch to 1960. The dial is original and in mint condition. It measures 35mm in diameter excluding the winding crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Remarkably when this watch arrived at our workshops it had the original 1960 Omega strap and buckle still fitted. We have replaced the strap and transferred the buckle. The original strap will come with the watch. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has just been fully serviced and like all of our watc...
