Description

An 18th Century Venetian or Ottoman Hanging Wall Silk, 162cm with Dragons and Centurion. An exquisite 18th century probably Venetian, red and gold embroidered silk wall hanging measuring 162cm. The lined and weighted wall hanging displays influences of the Orient whilst having a central male head and shoulders figure in 17th century, possibly Venetian battle helmet but opinions also include late Ottoman. A very fine quality 18th century, perhaps earlier wall hanging in mostly very good and original condition, no evidence of repair and retaining a generally even colour, the red natural dye often suffers fading, there is evidence in areas of wear and some loss which doesn't undermine the appeal, authenticity or character. Dimensions Height 162cm Width 34cm. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. Dispatched U.K. and worldwide within 2-3 working days with tracking.
