

SA111958

Mahogany desk in the
Chippendale Taste.

Price

Sold

Item Reference: SA111958

Date of manufacture: 1930

Description

A fine quality desk in the Chippendale style, the rectangular top with black tooled leather writing surface and cross banded looped edge. Nine drawers in total, all oak lined and two with removable dividers, all with quality brass drop handles, the bottom handle on each pedestal has been replaced. The desk stands on carved ogee bracket feet, there are nicks to the bottom of most of the bracket feet. The desk is 49 inches wide and is of the very finest quality, possibly manufactured in the United States of America.

Internal Ref: 022885
