Date of manufacture: Regency

Description

A wonderful set of 6 chairs attributed to Gillows, based on the quality and construction of the chairs. Slots around the chair seats, which would enable a drop in seat to cover the cane, which is a usual feature with Gillows outstanding furniture. Condition of the chairs is good but one seat has some damage to cane. These chairs would look great with fabric seat pads. Delivery to England Wales and Scottish borders via courier service £100.00. thanks for looking.
