Description

A stunning pair of antique burr walnut bedside cabinets, made in England and dating from around the 1930's period. They are of very good quality and display gorgeous burr walnut grain patterns throughout. The tops have cross banded edges, there is lots of storage space in the cabinets and there is a single drawer at the top of each cabinet. They sit on cabriole legs with shell carving at the knees. We have had these recently re-polished, the condition is excellent, with only some extremely minor wear and patina. Width – 18 inches , 46 cm Depth – 13 inches , 33 cm Height – 27 inches , 69 cm
