Description

This dresser is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax. The dresser would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in an unfitted kitchen. This is heavy so I will require a hand off the van with it into your hallway. The dresser stands on round turned legs supporting the main section. There are two large doors to the bottom section. The doors have two panels and original brass handles. There is a shelf behind for storage. The top section sits neatly upon the base and is slightly set back having two large glazed doors. Each door has four glazed panels and original brass handles. There are three shelves behind the doors and the top has a standard graduated cornice. This is a stunning dresser please buy with confidence. The height is 219cm, the width is 163cm and the depth is 52cm.
