Date of manufacture: 1870

Dimensions

Height = 16 cm (6.3")

Width = 10 cm (3.9")

Depth = 10 cm (3.9")

Description

This unusual fine quality Italian bronze depicts an 18th century rural young man and woman dressed typically for the time. Both having had a good time and far too much to drink whilst still trying to dance and not having much success in looking alert and in time with the music. A most unusual and quirky piece. In good condition with a dark brown patination and mounted onto the original red/ brown puddle stone polished marble base. Italian circa 1870
