Description

This wardrobe is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The wardrobe would look well in an old or modern property amongst similar antique pine furniture for storage. This wardrobe is in three pieces so it will go up the majority of stairs. The middle section is quite large so the staircase needs to be straight. The wardrobe stands on a square plinth supporting the main section where there is one large drawer to the bottom with round turned wooden knobs. The drawer is pine lined and has dovetail joints. Above this there are two doors with one panel and a moulding around the edge. Behind the doors there a hanging rail for storage of many clothes. The top has a standard graduated cornice. The height is 207cm, the width is 120cm and the depth is 53cm. The internal depth is 43cm.
