Date of manufacture: Before 1700

Dimensions

Height = 36 cm (14.2")

Width = 44 cm (17.3")

Depth = 25 cm (9.8")

Description

Now for something a bit different: an Augsburg table cabinet. These little cabinets were made in Augsburg in Germany during the 17th century. They have street scenes in marquetry on all of the drawers, usually the carcasses are in fruitwood, this is possibly apple wood, with columns in oak. The drawers are pine lined and button knobs are ebony. A very special and interesting piece.

Internal Ref: augsberg
