Description

Georgian Mahogany Bow Fronted Inlaid Corner Cupboard dating from around the turn of the 18th to 19th Century. This is quite a large wall hanging piece, the cupboard has double doors these are panelled with solid Flame mahogany, these enclose four fixed shelves and the back boards are covered in their original simulated wood grained wall paper. This is a very old piece of furniture and it is good and sound, there is a small amount of damage to the veneers and some stains on the bottom shelf but this is quite acceptable on a piece of this age. The cupboard is 50" tall, it is 35" across the front and the side measures 24". DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE. Delivery times vary from 7 to 28 days.
