Description

A fine example of a tinsel print. The image is certainly that of an actor in mid performance. The quality of the print is exceptionally good as is the applied decoration with green velvet and various beads used. The whole is one of the finest examples of a tinsel print I have seen and in excellent condition. The gilt frame is in great untouched condition though I would think slightly later in date to the print. C.1830. Overall sizes in inches including frame: 8 ½ by 12 ¼
