Description

Technical Description A fantastic set of three Victorian glass decanters dating c1880. They have their original hollow facet cut stoppers with double sides poring rims. They have facet cut necks above bands of diamonds and flute cuts. Star cut bases. They sit in a beautiful ornate silver plated stand with a central carrying handle. **Comments** Each decanter holds approx. 1 full modern bottle of wine and is hand made so each decanter is a slightly different size. They can be used as serving bottles for wine or decanters for different spirts. **Date & Origin** England, c1880. Period of Victoria. **Condition** Overall excellent condition. No chips, cracks, or restoration and they are clean and clear. The silver plate is in excellent condition. **Dimensions** Height Bottles: 33cm (includes stopper) Diameter: 8.5cm
