Description

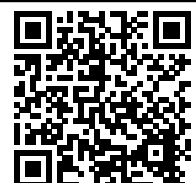

This bed has gorgeous colouring and fabulous patina, rosewood is an incredibly rich feeling wood and gives this bed it's lush colouring and depth. Lovely tapered and fluted posts topped with foliage carvings. The crest has fabulous foliate carvings and a very nice central detail. The siderails are fabulously long, so a perfect choice for the taller individual. Due to this, this bed would be suitable for a longer length double length mattress, or could take a longer length 140cm wide mattress. Whole bed has been checked and sympathetically restored to ensure solid, sturdy construction and good assembly. Head Height 159.5cm Foot Height 93cm Side Rail Height 36.5cm Overall Width 147cm Overall Length 225cm Price includes wood slats (sorry not mattress). As an alternative to the wood slats we can supply mini box bases for superior mattress support and to raise the get into bed height.
