Description

Antique Waltham pocket watch, 1906. The watch has a good quality 15-jewel grade 220 stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 14,768,279 which dates it back to 1906. The movement is protected by an inner hinged cover. The watch measures 47mm diameter excluding the winding stem and the loop. The case is gold filled and was made by the Crescent Watch Case Company who purchased the case making portion of the American Waltham Watch Company. The case is in beautiful condition and has the initials of the original owner to the back. The acrylic lens is in good condition. The signed dial is in lovely condition. Blued steel hands (one is a period replacement). The watch comes in a new presentation box.
