Description

Size: 9ft 6in x 5ft 11in (290 x 180cm). Antique kilim woven in two parts by the Baluch tribes of Afghanistan. Circa 1900/20. This excellent kilim was woven in two parts on a narrow simple loom, and then stitched together in the middle along the entire length; this explains the very slight variation in colour and design from one side to the other. The kilim has a repeat diamond design, the colour palette is warm with earthy tones. Note the long kilim ends decorated with bands of rosette flower heads. The kilim is in excellent condition with very slight wear, the kilim is suitable for normal domestic use. The is a good strong kilim that will stand up to floor use. Stock Number: D-0883.
