Description

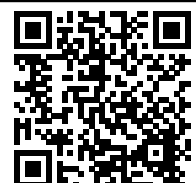

A charming antique 19th-century oak chest of drawers. The chest features a crossbanded, moulded cornice top above an arrangement of two short over three long graduating lip-moulded drawers, each fitted with elegant brass drop handles. The piece is beautifully raised on ogee bracket feet, adding to its refined aesthetic. A timeless and practical example of 19th-century craftsmanship. Item Ref; M-5808 . DIMENSIONS: Height - 107cm / Width - 111cm / Depth - 55.5cm CONDITION REPORT: In good antique condition throughout, with some signs of age consistent with its history. There is surface wear, including age-related marks and scratches throughout the piece. The top shows fading and ink staining, as pictured. There is some loss to the side and bottom of the chest, along with visible splits to the sides. Despite these imperfections, the chest remains solid and sturdy, retaining its charm and functionality. All imperfections are documented in the photos. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a c...
