Description

An absolutely delightful still life oil painting on panel of flowers by much sought artist, Bessie Bamber. Well known for painting kittens, Bessie Bamber was a British artist from Birkenhead who was active between 1900 and 1935. Her works of kittens command a great premium with her floral paintings lesser known, however this vibrant painting bears all her hallmarks of quality and detail. Initialed BB to the right corner. Must be seen to be appreciated. In excellent condition, presented in simple limed oak frame.
