Description

Enhance your bedroom with our Victorian pollard oak wardrobe. Featuring a central cupboard with a shelf for organised storage, a 2 over 3 chest of drawers for ample space, and a mirror back rest for convenience. With ample storage space from the two side cabinets this large wardrobe offers a lot of space. The quality carvings and detailed veneers, along with the original brass handles, add a touch of elegance. Cupboards for hanging are approximately 55cm wide x 47cm depth. General all round condition is good for its age and any scuffs or blemishes I have tried to show in photos. Left hand side mirror has some spots of wear to centre but also shows its originality. More pictures can be provided on request. Item can be collected from LL29 or please contact seller for possible delivery quote.
