Description

A smart and beautifully made antique Victorian walnut open bookcase. This was made in England, it dates from around the 1880-1900 period. It is a useful size and has a lovely, warm colour tone. There are two adjustable shelves that rest on shark teeth supports, this stands on a plinth base and has a nicely moulded overhanging cornice. We have had this recently re-polished, the condition is excellent for its age, with only some extremely minor wear here and there.
