Description

If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. These are a very unusual pair of Napoleon III armchairs. Not only do these chairs have the pie crust detail which I absolutely love. They also have a wide fishtail back and wider than average seat making them a hugely decorative and comfy pair of chairs. Elegant turned legs as well. Measurements Height 90cm Width 86cm Depth 83cm Depth of seat 53cm Height of seat 40cm
