Description

This is a beautiful French country farmhouse table. It is made from elm and has beautiful patina all over that gives it a huge amount of character. 19th century in age and as far as I can see totally original. It has one large drawer to one end and a small drawer to the side with a neat brass pull. Good useable size and wonderful colour to it as well. Height 72cm Length 194cm Depth 80cm
