Description

This is a beautiful 19th century Spanish writing table. The piece is made entirely in walnut the two planked top is spectacular as it clearly shows the two pieces come from the same tree as their grains match perfectly. The colour is fabulous and overall condition very good as well. This is a very well made piece and was designed to be seen from all sides as the front has three useable drawers and the reverse has three faux drawers. The geometric carving also goes all the way around. Unfortunately no key. Height 81cm Width 160cm Depth 84cm
