Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM This is a very fine example of a gentlemens wristwatch made by the world renowned premier Swiss maker Rotary. It has a solid 9ct yellow gold case which has a stunning two tone dial which changes colour subtly in the light, it also has a sub second dial. The movement is an absolute gem with 17 jewels, this is a movement from the golden age of swiss watchmaking. As you would expect from Rotary the watch is fully marked on the dial and case is fully hallmarked which dates this to London 1954-55. As you can see there is NO inscription on the back. The case itself is very slim and it has a new high quality black leather strap, this really is an elegant and classic watch indeed. It comes complete with a new presentation box to keep your watch in perfect condition . Rotary are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 31mm in diameter not including the crown. Overall this is a wonderful watch, it would certainly make a perf...
