Description

A beautiful rare English solid sterling silver chalice, pyx, and glass container communion set. It is hallmarked for London 1951 with the maker being ARM&Co. It has been superbly designed with the jar (possibly for holding holy water, wine or ointment), fitting inside the chalice. It is in superb condition being free from dings splits chips cracks distortions and repairs. The case is also superb. The chalice measures 2.75 inches (6.3cms) tall by 1.75 inches wide. The whole set including the case weighs 235grams. A very good quality rare set.
